

# Activity Booking Requests

Dear {{ contact.FIRSTNAME }}

**Sent To: All Cub, Scout & Explorer leaders attending TBW**

It's now less than two weeks until we all come together at Newark Showground for the biggest BIG Weekend ever!

Thank you to all the sections who have requested tickets for Hoveringham and/or the Driving School. As anticipated, the demand far outweighed the number of places available for these activities, so we have undertaken a ballot to ensure we can distribute these in the fairest way possible.

Sections have only been allocated ONE of these activities, anyone who requested both, we have taken your preference into account, this has helped us to ensure as many people as possible could get tickets.

Please don't be disheartened if you were unsuccessful in receiving tickets for these activities in our ballot, as there is still a possibility of taking part. Both of these activities will operate a "standby" queue at the event. If participants do not arrive on time for their activity, we will fill the places with participants from this queue.

## Hoveringham

### Cubs, Scouts & Explorers

Click the below links to find out if your section was successful in receiving places on this activity. If you no longer want your places, please let us know so we can re-

allocate them to other sections that were unsuccessful.

It's really important that you are ready at the bus stop on time, otherwise we will fill the buses with people from the standby queue. There is also a participant information pack which includes all the details you need to participate in this activity, please read it carefully.

## Driving School Scouts & Explorers

Click the below links to find out if your section was successful in receiving places on this activity. If you no longer want your places, please let us know so we can re-allocate them to other sections that were unsuccessful.

**IMPORTANT INFO:** We need the names of all participants for this activity in advance. Please see the allocations by clicking the button below. We then need you to fill in your tab in the workbook with the names and return by email to [driving@notts-scouts.org.uk](mailto:driving@notts-scouts.org.uk) by Friday 26th April. If we don't have your names by then, we will have to re-allocate your places to groups on the waiting list.

It's really important that you arrive on time, otherwise we will allocate your slots with people from the standby queue. There is also a participant information pack which includes all the details you need to participate in this activity, please read it carefully.

...and that's it for now! If you were unsuccessful in receiving tickets, there's still a chance in the standby queues, and these are just two of the 80 activities we have available, so there's so many other great activities to experience!

Best Wishes
